To whom it may concern,

I have known Andros Pelecanos for the past two years when we first appointed him to act as our lawyer.

Besides having a high degree of integrity and a cheerful personality, he is one of those rare individuals who can both follow instructions and take initiative, as appropriate. He is strong in time management and his competence extends beyond the skills for which we originally hired him.

Seldom have I been able to make such an enthusiastic recommendation regarding a lawyer. I have no hesitation in recommending his legal services.

Yours faithfully,

Rabbi Arie Zeev Raskin
